

FBM, Win Systems and Zitro stand together after the terrible shooting in Las Vegas

The tragic events in Las Vegas on Sunday night were absolutely horrendous and our thoughts and condolences are with all those affected at this very sad time.

G2E will open as planned on Tuesday and we are letting everyone know that The Great Pack Party at the Moon Nightclub at Palms Resort will also go ahead at 20:00 PT as scheduled.

In these incredibly difficult times it is important that we carry on with our everyday lives and don't give in to these barbaric acts.
