(a) Paragraph 65(6)(za) of the Commencement and Transitional Provisions Order was inserted by article 2(2)(b) of S.I. 2025/****.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Gambling Act 2005 (Commencement No. 6 and Transitional Provisions) (Amendment) Order 2025 (S.I. 2025/****) (“the 2025 Order”) amends the Gambling Act 2005 (Commencement No. 6 and Transitional Provisions) Order 2006 (S.I. 2006/3272 (C. 119)) (“the 2006 Order”) to make changes to the gambling entitlements authorised in England and Wales by a converted casino premises licence.

To utilise these new entitlements, the holder of a converted casino premises licence must comply with a number of conditions set out in the 2006 Order (as amended by the 2025 Order) and also in the Gambling Act 2005 (Mandatory and Default Conditions) (England and Wales) Regulations 2007 (S.I. 2007/1409) (“the 2007 Regulations”) (as amended by the Casinos (Gaming Machines and Mandatory Conditions) (Amendment) Regulations 2025 (S.I. 2025/****)).

One of these conditions is that the premises plan which forms part of the converted casino premises licence must indicate an area as being for “table gaming”. That term is defined in regulation 2 of the 2007 Regulations as “(a) casino games played on ordinary, or partially or wholly automated gaming tables, and (b) real games of equal chance, other than bingo, played on a table”.

As the Gambling Act 2005 (Premises Licences and Provisional Statements) Regulations 2007 (S.I. 2007/459) do not currently require the plan for a converted casino premises licence to include a table gaming area (defined in regulation 4(10)(e) of those Regulations), this instrument amends those Regulations to enable the holder of a converted casino premises licence who wants to utilise the new entitlements to apply to the relevant licensing authority to vary that licence so the casino plan can show the location and extent of any part of the premises which will be a table gaming area.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
